

IMAGE TIPS

Here are some tips for getting the best buddies by bailey image:

- * **CLOSE UP:** The closer the image, the more details of your buddy. We want to see Spot's spots.
- * **IN FOCUS:** Do not send fuzzy images.
- * **DON'T CROP:** We need to see the whole buddy!
- * **IN YOUR FACE:** Images that show your buddy head-on work best.
- * **EVEN LIGHTING:** Do not send images images with harsh shadows.
- * **TRY VARIETY:** Send multiple images and we will let you know which will work best.
